ENDORSEMENT

Honourable Barry MacDougall

A Case Management Conference (CMC) was held by teleconference on July 11, 2017, at 1:00 P.M., Eastern Time (Ottawa).

[1] The Parties acknowledged that the proposed Procedural Timeline set out in the Tribunal's Endorsement from the December 20, 2016 CMC will not be able to be complied with.

[2] The Respondent has not yet served its historical research materials on the Claimant, however, the Respondent is now in a position to serve the majority of the historical research materials on the Claimant within 7 days. The Respondent's researcher is expected to provide a small number of additional research documents by mid-July and after reviewing those additional documents, the Respondent will be in a position to serve them on the Claimant.

[3] The Claimant has advised that its expert report is substantially complete and that it will provide it to the Respondent on or before **July 21, 2017**.

[4] The Parties will submit a Status Report to the Tribunal on or before **August 25, 2017** which will include a revised Procedural Timeline and the Parties may request a further CMC at that time.
