**ENDORSEMENT**

**Honourable William Grist**

A Case Management Conference (CMC) was held by teleconference on July 17, 2018, at 3:00 P.M., Eastern Time (Ottawa).

[1] In a Joint Status Report filed with the Tribunal on July 11, 2018, the Parties indicated they are close to reaching an agreement in principle on the size of the Claimant’s treaty land entitlement shortfall, subject to the Respondent’s formal approval process and the authorization by the Claimant’s Band Council.

[2] In light of this progress, the Parties have jointly requested to adjourn the upcoming hearing.

[3] The hearing scheduled for August 21-22, 2018 is adjourned.

[4] A CMC will be scheduled shortly after November 1, 2018, as the schedules of the Parties and the Tribunal will allow.
