**ENDORSEMENT**

**Honourable Paul Mayer**

A Case Management Conference (CMC) was held by teleconference on October 18, 2018, at 2:00 P.M., Eastern Time (Ottawa).

[1] The Parties have identified an amount for compensation, subject to: (i) agreement on an offset amount with respect to the Ontario settlement; and (ii) the Parties' internal approval processes.

[2] The Claimants indicated that there is one clause that still needs to be resolved in the draft confidentiality agreement with Ontario.

[3] The Claimants indicated that they hope to provide the Respondent with the redacted Ontario settlement and their submissions regarding what to do with it within a couple of weeks.

[4] The Parties agree that after the Respondent has received the redacted Ontario settlement, 60 days should be sufficient for the Respondent to settle the extent, if any, to which the amount of compensation should be adjusted in light of the Ontario settlement.

[5] The next CMC will be held simultaneously with the next CMC in file SCT-3002-11, which is scheduled to be held by teleconference on **January 23, 2019**, at 4:30 P.M., Eastern Time (Ottawa).
