A Case Management Conference (CMC) was held by teleconference on January 22, 2019, at 4:30 P.M., Eastern Time (Ottawa).

[1] Pursuant to discussions held between the Parties, the Respondent agreed to withdraw its Application for Bifurcation, on the understanding that both Parties will require additional time to obtain expert assistance on present valuation.

[2] The Claimant advised that its supplemental historic market value expert report is now expected to be served and filed by the end of March 2019.

[3] The Respondent advised that its responding loss of use expert report will be served and filed by the end of September 2019.

[4] The Parties will continue to work together towards an Agreed Statement of Facts and a Common Book of Documents.

[5] The Parties will communicate with one another prior to the next CMC regarding potential scheduling for a hearing, and will be prepared to set a date at the next CMC.

[6] The next CMC will be held by teleconference on **October 16, 2019**, at 4:30 P.M., Eastern Time (Ottawa).
