A Case Management Conference (CMC) was held by teleconference on April 3, 2018, at 2:00 P.M., Eastern Time (Ottawa).

[1] The Parties reported that they were prepared to proceed with an expert and lay witness hearing as scheduled commencing May 28, 2018 at 10 A.M. in Vancouver, British Columbia. The Claimant indicated that it will call an expert witness on the carry forward of historical value plus two lay witnesses. The Respondent indicated that although it did not agree with the opinion and conclusions of the Claimant's expert, it did not now intend to present an expert witness. The Parties thought the hearing would take two to three days.

[2] Oral submissions for the compensation phase of the proceeding will commence in Vancouver, British Columbia, on October 9, 2018, at 10:00 A.M. and continue on October 10, 2018, as required.

[3] The next CMC will be coordinated by the Registry to be held in June or July 2018 as directed in the Endorsement of September 7, 2017.
