Little Red River Cree Nation (BAND-447)

Agricultural Land Entitlement

Date Received by SCB: 1999/07/12
Current Status: NLO
Registry File Number: B8265/L14

The FN alleges that there was a shortfall in reserve lands received under Treaty 8. The FN received additional lands in 1965 to compensate for an increase in population and poor quality lands. This additional land was surveyed in 1958 and the FN feels they should have been compensated based on the 1958 band population, not the 1955 population. FN asserts that Canada has misapplied the terms of Treaty 8; a breach of fiduciary duty on the part of the Crown resulting from its failure to advise individuals of the severalty option in Treaty 8; and a shortfall in land entitlement since members of the FN were not given the option of taking land in severalty at 160 acres per person.

Ammunition/Twine Provisions of Treaty 8

Date Received by SCB: 1997/05/27

Paul (BAND-441)

1906 Wrongful Surrender of Reserve Lands

Date Received by SCB: 2000/06/05
Current Status: ISCC
Registry File Number: B8260-713

Allege that the Paul Band's surrender of Reserve 133B (635 acres total) in 1906 is invalid because it violated the surrender requirements stipulated by the Indian Act. The claim also alleges that the Crown breached its pre-surrender fiduciary duties.

Duffield Townsite Aug 1911 Surrender

Date Received by SCB: 1992/12/21
Current Status: SET
Registry File Number: B8260-331

Alleged mismanagement of townsite land sales arising from August 5/1911 surrender of 198.6 acres.

Farmlands - May 13 - 1911 Surrender

Date Received by SCB: 1992/08/18
Current Status: SET
Registry File Number: B8260-331

Alleged mismanagement of farmland land sales arising from May 13, 1911 surrender of 4,500 acres.

Grand Trunk Pacific Railway Rail Line Expropriation

Date Received by SCB: 2004/12/01
Current Status: RES
Registry File Number: B8260-836

The FN alleges that the Crown failed to comply with the Railway Act when it authorized the expropriation. Section 46 of the Indian Act alone was not sufficient to expropriate reserve lands. The FN was then deprived of the use of the right of way lands for the entire period from 1908 to the present day without lawful reason.

Mismanagement of Capital Account

Date Received by SCB: 1996/06/14
Current Status: DOJ
Registry File Number: 8260-532/577

Alleged certain expenditures from FN's trust accounts were made by Department without authorization as required by the Indian Act.

Mismanagement of Sale - IR 133B - 1906 Surrender

Date Received by SCB: 1996/07/12
Current Status: ISCC
Registry File Number: B8260-529

Alleged lots surrendered in 1906 were not put up for sale for another four years; that sale was contrary to terms of surrender; that prices were under value; and that auction was not advertised.

Tobique (BAND-016)

1892 Surrender (Surrender Project)

Date Received by SCB: 2002/08/30
Current Status: LOS
Registry File Number: B8260-772

This is the first claim submitted in a Joint Research Project that commenced on July 3, 2002, between SCB, Region and the First Nation. This claim involves the validity of an 1892 Surrender for 12,000 acres below the Tobique River. The First Nation claims that the surrender is void because: 1. There was no Order in Council accepting the surrender, and 2. The signatures were forged.

UNBI requested eviction of squatters occupying and using land reserved for FN.

St Croix and Canous Indian Reserves

Date Received by SCB: 1993/09/03
Current Status: FCL
Registry File Number: 8260-136+464

It is alleged that the Canous and St Croix reserves were unlawfully sold without surrender. The Department maintained that there were no longer any Indians living in the area from which to take a surrender. The Canous Reserve was sold in 1936 and the St. Croix Reserve was transferred to New Brunswick in 1944. It is also alleged that Timber was unlawfully taken from the reserves.

Magnetawan (BAND-174)

Highways

Date Received by SCB: 2005/03/21
Current Status: BA
Registry File Number: B8260-861

Alleges the Crown breached its obligations to the claimant with respect to the construction of four roads on reserve land between 1883 and 1958, the construction of a parking lot in 1936, a drainage ditch in 1959, and a 'visibility triangle' in 1963.

Mattagami (BAND-226)

Timber

Date Received by SCB: 1985/09/10
Current Status: SET
Registry File Number: B8260-262

Alleged flooding of 1340 acres of Mattagami I.R. No. 71 (Treaty 9 area), and damage to and loss of use of resources (timber) and graveyard due to flooding caused by the operation of the Mattagami Dam in 1922.

Alleged breach of lawful obligation for granting a timber licence in 1928 for a period of 5 years although the surrender expired in 1930.

M'Chigeeng First Nation (BAND-181)

Flooding of Lake Mindemoya

Date Received by SCB: 2005/02/28
Current Status: DOJ
Registry File Number: B8260-856

FN alleges unlawful damming of Lake Mindemoya on Manitoulin Island IR #22, by a private milling company, caused flooding damage on reserve land along the lakeshore.

Land Purchases (Surrender Project)

Date Received by SCB: 2005/02/28
Current Status: NLO
Registry File Number: B8260-857

FN alleges breach of fiduciary obligation relating to sales of surrendered land that did not conform to the Crown's directives regarding how the sales were to be conducted.

Sanfield Sugar Bush

Date Received by SCB: 2005/01/24
Current Status: DOJ
Registry File Number: B8260-842

FN alleges desired land, known as the 'Sugar Bush Lands' were never properly set aside for them, and were sold without the notification or consultation of the FN in 1943. Also alleges loss of use of Sugar Bush.

M'Chigeeng First Nation (BAND-181)

Treasure Island

Date Received by SCB: 2005/01/24
Current Status: DOJ
Registry File Number: B8260-839

FN alleges breach of fiduciary obligation as a result of a failure to observe the FN requests regarding the selection of their reserve lands.

Michipicoten (BAND-225)

1855 Surrender

Date Received by SCB: 1996/11/08
Current Status: SET
Registry File Number: B8260-678

FN alleges the 1855 surrender of 640 acres of Gros Cap I.R. 49 for a mining location was invalid because the taking failed to comply with the conditions as set out in the Royal Proclamation of 1763. Specifically, the FN alleges that there was no public meeting convened for the taking of the surrender. The land in question was set aside for the FN under the terms of the Robinson-Superior Treaty.

1898 Survey

Date Received by SCB: 1996/11/08
Current Status: SET
Registry File Number: B8260-676

Alleged FN funds were wrongfully taken to pay for the 1898 survey of a mining location they had surrendered in 1855.

1899 and 1900 Surrender of Reserve 49

Date Received by SCB: 1998/01/14
Current Status: SET
Registry File Number: B8260-677

Alleged majority of eligible voters did not attend the meeting held for the taking of the surrender and the surrender is, therefore, invalid.

1899 Survey

Date Received by SCB: 1996/11/08
Current Status: SET
Registry File Number: B8260-676

Alleged FN funds were wrongfully taken to pay for the 1899 survey of their reserve.

Michipicoten (BAND-225)

Boundary Claim

Date Received by SCB: 1996/11/01
Current Status: ACT
Registry File Number: B8260-680

FN Alleges that Gros Cap Reserve #49 set aside for them, as per the terms of the Robinson Superior Treaty, is smaller than that which the adherents to the Treaty intended and understood they were to receive. The FN alleges that they were promised that their reserve would extend from the mouth of the Doree River to the mouth of the Magpie and Michipicoten Rivers.

Hydro Right of Way

Date Received by SCB: 1996/02/13
Current Status: FCL
Registry File Number: B8260-515

FN alleges unlawful expropriation and inadequate compensation for 4.2 acres of I.R. 49 taken in 1943 by the Great Lakes Power Company for a hydro right-of-way. The land in question was set aside for the FN under the terms of the Robinson-Superior Treaty.

Missanabie Res. 62 & Chapleau Res. 61

Date Received by SCB: 1996/11/01
Current Status: AR
Registry File Number: B8260-684

In the early 1900's these two reserves were purchased using funds from Michipicoten trust fund account. The lands have never been set aside for the Michipicoten FN.

Ontario Hydro Right of Way

Date Received by SCB: 1996/05/01
Current Status: FCL
Registry File Number: B8260-536

FN alleges unlawful expropriation and inadequate compensation for 70 acres of I.R. 49 taken in 1968, by Ontario Hydro for a Hydro right-of-way. The land in question was set aside for the FN under the terms of the Robinson-Superior Treaty.

Railway Right-of-Way

Date Received by SCB: 1996/11/01
Current Status: AR
Registry File Number: B8260-681

FN alleges the Algoma Central Railway Company failed to lawfully acquire a 13.6 acre railway right-of-way and therefore trespassed on Gros Cap I.R. 49 for 30 years. The FN alleges, therefore, that Canada breached their fiduciary obligation by failing to ensure the lands were taken in accordance with the requirements under Indian Act and that the First Nation was adequately compensated. The land in question was set aside for the FN under the terms of the Robinson-Superior Treaty.

Relocation Claim

Date Received by SCB: 1996/11/01
Current Status: FCL
Registry File Number: B8260-679

In 1935, DIA purchased 55.6 acres from the Algoma Central Railway. The lands were purchased with FN funds and not set aside as a reserve. In 1955 Algoma exchanged this land for 13.9 acres north of the harbour. The FN alleges that the exchange was not consented to by all the voting members.

1935 Flooding - Osnaburgh

Date Received by SCB: 1990/06/14
Current Status: LIT
Registry File Number: B8260-402

Alleged breach of fiduciary duty, damages and inadequate compensation for flooding, timber loss and trespass in respect to the flooding, in 1934, of approximately 650 acres of I.R. 63A and 63B.

Highway - Savant Lake Road ROW

Date Received by SCB: 1990/06/14
Current Status: LIT
Registry File Number: B8260-404

FN alleges trespass and inadequate compensation between 1936-1944 for lands taken for the construction of road and terminal site through I. R. 63 B. The FN further alleges that contractors responsible for the construction of the road took gravel and timber without authorization and that the compensation amount of \$7,800 was inadequate and represents a breach of the Crown's fiduciary duty.

Hydro Line ROW - Osnaburgh

Date Received by SCB: 1990/07/14
Current Status: LIT
Registry File Number: B8260-403

FN alleges trespass and inadequate compensation for a 24.4 acre hydro right-of-way expropriated in 1934. Furthermore, FN alleges the Crown breached its fiduciary obligation by failing to renegotiate the amount of compensation paid to the band for the 1964 hydro right-of-way renewal.

Boundaries of Thessalon

Date Received by SCB: 1997/08/05
Current Status: LOS
Registry File Number: B8260-597

Alleged that, in 1852, the Thessalon reserve was surveyed in "miles," and not in "leagues" as the FN intended. As a result, the FN allegedly did not receive the proper amount of land to which it was entitled under the Robinson-Huron Treaty. (note: 1 league = between 2.5 and 4 miles)

Road Rebates

Date Received by SCB: 1997/06/10
Current Status: FCL
Registry File Number: B8260-658

Alleged the government rightfully sold their surrendered lands in 1874 and the beginning of the 1890s, and the proceeds were distributed among the members of the FN, government had no right in making a deduction or rebate from the sale price due to road reservations, especially since no such deductions or rebates were made in any other place in Canada.

Gibson

Date Received by SCB: 1981/06/26
Current Status: SET
Registry File Number: B8260-203

The Mowhaks of Gibson relocated to Gibson Township from Oka, Quebec in 1881, due to land problems between the Indians and the Seminary of St. Sulpice. 25,000 acres of land was acquired from Ontario to establish the reserve. By 1928, when it was apparent that not all of the Oka Indians relocated to Gibson, Canada returned 10,500 acres to the province without surrender by, or compensation to, the Gibson Indians. ICO process.

Walpole Island (BAND-170)

1958 Seaway Treaty (Surrender Project)

Date Received by SCB: 2005/08/09
Current Status: LOS
Registry File Number: B8260-872

Claim concerns construction of 16mi x 1000ft channel on IR #46. FN alleges Crown did not conduct sufficient evaluation or impact studies prior to surrender, inadequate compensation provided, injurious affection to remaining lands, loss of economic opportunity related to lands and damages resulting from construction of the channel; FN alleges no consideration was given to a lease rather than surrender.

Anderdon

Date Received by SCB: 1994/06/15
Current Status: DOJ
Registry File Number: B8260-181

Alleged that the Crown failed to carry out the terms of the surrender of 300 acres in Anderdon Township in 1848. Also raises questions regarding the sale of the land, including whether fair value was paid for the land.
